*If you will be accepting your Federal Direct Unsubsidized Loan and are a new loan borrower, you will need to access [www.studentloans.gov](http://www.studentloans.gov) to complete the Master Promissory Note and Entrance Counseling. Returning borrowers only need to submit this form to renew their Federal Direct Unsubsidized Loan.

**Other Loan Resources**

If you will require additional resources beyond your financial aid award, you may apply for a private educational loan, a Direct Graduate PLUS loan or a DELC loan. Borrowers must apply for the full Direct Unsubsidized loan amounts prior to borrowing a Direct Graduate PLUS loan. If you apply for a private educational loan with multiple lenders, please let us know which lender you will be using. Links to more information are on your financial aid letter.

Contact the financial aid office if you want to be considered for the DELC loan and indicate “yes” on the credit consent authorization below.

**Authorization**

I, the student, authorize the Tuck School of Business to apply Federal Title IV financial aid funds to other educationally related expenses which might be posted to my student account beyond the allowable institutional charges such as tuition, room, board and required fees. Examples of other charges are health insurance and other medical expenses, late payment fees and bad check fines, and charges to the Discretionary and DASH accounts. It can also be applied to prior-year charges not exceeding $200.00. I understand that this authorization, or any portion of it, can be rescinded at any time by submitting a signed statement to the Financial Aid Office. I can also choose to authorize the above items individually.

Authorization: ☐ Yes ☐ No
I hereby give my consent to have Dartmouth College, the Dartmouth Educational Loan Corporation (DELC), or anyone acting on their behalf (“the Lenders”) obtain a consumer credit report through a credit reporting company they choose, which the Lenders may require in connection with my request to establish a lending relationship with them. You may be required to obtain a guarantor for the loan. In the event my loan application is approved, I also give my consent to have the Lenders obtain an additional consumer credit report for purposes of taking collection action and for other legitimate purposes associated with my established lending relationship.

I, the student, understand that the authorizations are in effect for the entire period I am enrolled at the Tuck School of Business. Any of the authorizations may be cancelled or modified at any point in time by providing written notification to the Financial Aid Office. Any cancellation or modification made will be for future authorizations and will not be retroactive.
